Remarks:

- (1) Monthly Fee is applicable to customers signing designated service plan with 24-month Minimum Commitment Period.
- (2) If the customer is designated existing customers of HKBN home broadband/home telephone service subscriber, successfully registered and activated designated Mobile Services Plan will be entitled to \$10 monthly fee discount.
- (3) If the customer is designated existing customers of HKBN home broadband/home telephone service subscriber, successfully registered and activated designated Mobile Services Plan will be entitled to \$20 monthly fee discount.
- (4) The network is supported by SmarTone. Actual data transmission speed that Subscribers experience may vary due to Internet traffic conditions, local conditions, hardware, software and other conditions which may arise.
- (5) The plan includes unlimited local data per month. The maximum local data speed is 2Mbps, local data usage excludes tethering and peer-to-peer applications. The plan is applicable to smartphone or tablet use only and does not support any web browsing in desktop mode via any mobile browser.
- (6) Maximum download speed for the first 5GB is 21Mbps. Maximum upload and download speed for thereafter data access is 128kbps.
- (7) Subscriber can enjoy 1GB Bay Area (China & Macau) Roaming Data Package ("Package") during the Minimum Commitment Period. Thereafter usage will be automatically charged by Roaming Data Day Plan Lite ("RDDP Lite") or Roaming Data Day Plan ("RDDP") subscribed by customer. A day is defined as 00:00 to 23:59 local time of the capital at the visited destination. Subscriber using this Package should also activate RDDP Lite or RDDP.
- (8) At any time when monthly local data usage nearly reaches the plan data entitlement, an HKBN SMS notification will be sent to the Subscriber. Subscriber may reply to the SMS to purchase a top-up of data. If no top-up is purchased, data service will be suspended when data usage has reached the entitlement. Subscriber may purchase a top-up at any time to resume service, or wait until the first day of the following bill cycle to commence service again with the new monthly data entitlement.

- (9) When monthly local data usage exceeds the plan data entitlement of 12GB, the monthly local data plan for such bill cycle will be automatically upgraded to an unlimited local data plan with \$80 extra charge for the data upgrade. According to the Fair Usage Policy (A), Subscriber may enjoy unlimited local data until the end of such bill cycle. The monthly fee will be reset to the original monthly fee on the first day of the following bill cycle. Unlimited local data is subject to Fair Usage Policy (A), please refer to [Fair Usage Policy \(A\)](#).
- (10) All airtime charges are calculated on a 1-minute incremental basis where usage under 1 minute will be rounded up to 1 minute.
- (11) The above Mobile Services Plans are not applicable to 2G phones/connected devices or any phones/connected devices which have manually opted for 2G network, and not applicable to other connected devices (including but not limited to USB modem/ Router/ Pocket wi-fi/ TV box/ BlackBerry smartphones with BlackBerry 7 OS and earlier versions). If Subscriber uses the above Mobile Services Plans on other connected devices, 2G phones/connected devices or any phones/connected devices which have manually opted for 2G network, any charges which may incur will be borne by the Subscriber.
- (12) If the plan(s) is/are terminated within the Minimum Commitment Period for whatever reasons, Subscriber shall pay a total amount of the remaining special monthly fees within Minimum Commitment Period to HKBN as liquidated damages.
- (13) In case of any dispute, the decision of HKBN shall be final and conclusive.
- Administration fee of \$18 will be levied through the Minimum Commitment Period (if applicable).

Remarks:

- (1) Monthly Fee is applicable to customers signing designated service plan with 24-month Minimum Commitment Period.
- (2) Subscriber who successfully registered and activated designated Mobile Services Plan (\$140) will be entitled to \$32 monthly fee discount. If the subscribed Mobile Services Plan is terminated during the Minimum Commitment Period for whatever reasons, the unused amount of monthly fee discount will no longer be eligible for usage.
- (3) If the customer is designated existing customers of HKBN home broadband/home telephone service subscriber, successfully registered and activated designated Mobile Services Plan will be entitled to \$10 monthly fee discount.
- (4) The network is supported by China Mobile Hong Kong ("CMHK"). Actual data transmission speed that Subscribers experience may vary due to Internet traffic conditions, local conditions, hardware, software and other conditions which may arise.
- (5) The plan includes 6GB (\$140) or 12GB (\$160) of local data per month. Maximum upload and download speed for thereafter data access is 128kbps. The thereafter local data usage does not include support for tethering and peer-to-peer (P2P) applications, including Bit-Torrent etc.
- (6) The plan includes 20GB of local data entitlement limit per month. When local data usage reaches the 20GB local data entitlement limit in monthly bill cycle, local data service will continue. According to the Fair Usage Policy (C), Subscriber can enjoy unlimited local data until the end of such monthly bill cycle, but access to network resources will be given lower priority and data service experience may be affected. The thereafter local data does not include support for tethering and peer-to-peer (P2P) applications, including Bit-Torrent etc. Unlimited local data is subject to Fair Usage Policy (C), please refer to [Fair Usage Policy \(C\)](#).
- (7) Subscriber can enjoy 1GB (\$140/\$160) or 2GB (\$190) Bay Area (Mainland China & Macau) Roaming Data Package per month during the Minimum Commitment Period. Thereafter usage will be automatically charged at \$0.1/KB and the daily charge is capped at \$48 according to Roaming Data Day Plan. A day is defined as 00:00 to 23:59 Hong Kong time. The above mentioned Roaming Data Package is available for use in Mainland China/Macau only and does not include support for tethering and peer-to-peer (P2P) applications, including Bit-Torrent etc.

- (8) Administration fee of \$18 will be levied through the Minimum Commitment Period. Subscriber who has successfully ported-in numbers to HKBN can enjoy the \$18 monthly administration fee waiver within the Minimum Commitment Period.
- (9) If the plan(s) is/are terminated within the Minimum Commitment Period for whatever reasons, Subscriber shall pay a total amount of the remaining special monthly fees within Minimum Commitment Period to HKBN as liquidated damages.

Remarks:

- (1) Special Monthly Fee is applicable to customers signing designated service plan with 24-month Minimum Commitment Period.
 - (2) The network is supported by China Mobile Hong Kong ("CMHK"). Actual data transmission speed that Subscriber experiences may vary due to Internet traffic conditions, local conditions, hardware, software and other conditions which may arise.
 - (3) All local data usage, local airtime and local intra SMS included in the Mobile Services Plan will be shared among all SIM cards. The accumulated usage of all SIM cards will be counted towards the usage of the Mobile Services Plan.
 - (4) Maximum local data entitlement per month will be set at 20GB (\$396), 30GB (\$496) or 50GB (\$736) as default, and Subscriber may customize a higher data usage limit with additional charge (such additional charge will apply when Subscriber continues to use the local data service after the local data usage reaches the default monthly entitlement limit). For the avoidance of doubt, the customization of the local data cap will apply for subsequent months upon such customization by Subscriber. When local data usage reaches the default (if no customization of the local data usage cap) or customized usage cap, local data service will be temporarily suspended until the end of that bill cycle.
 - (5) Primary Line is required to pay an additional administration fee of \$18 per month. (Secondary Line is not required to pay the relevant fee).
 - (6) Subscriber can enjoy 1GB Bay Area (Mainland China & Macau) Roaming Data Package ("Package") during the Minimum Commitment Period. Thereafter usage will be charged at \$0.1/KB and the daily charge is capped at \$48 according to Roaming Data Day Plan. A day is defined as 00:00 to 23:59 Hong Kong time. Such Package is available for use in Mainland China/Macau and is only applicable to Primary Line and not applicable to any Secondary Line. Package does not include support for tethering and peer-to-peer (P2P) applications, including Bit-Torrent etc.
 - (7) If the service of the Primary Line is terminated for whatever reasons (including but not limited to changes to other service plan of HKBN), the Mobile Services Plan and the service for the Secondary Line will also be terminated automatically at the same time.
 - (8) If the plan(s) is/are terminated within the Minimum Commitment Period for whatever reasons, Subscriber shall pay a total amount of the remaining special monthly fees within Minimum Commitment Period to HKBN as liquidated damages.
 - (9) In case of any dispute, the decision of HKBN shall be final and conclusive.
